

# REFLECTION MORNINGS | 2018

## WOMEN OF VISION

[Women of Vision](#) has been described as “a book that expands significantly public knowledge of the contributions of Catholic laywomen to church and society over the past century.” It tells the story of 16 of the founders of the International Grail movement.

In our **6 reflection mornings** this year, we will look at 6 of these pioneering women of faith. Their stories challenge us to consider what it means to be people of faith today and what it is we might be called to do in our own time of great change.

The reflection mornings will be held at the **Grail Centre, 22 McHatton Street, North Sydney, on Tuesdays from 10 am to 12 noon**. The Grail Centre is well served by public transport (bus and train) and 2-hour parking is available in McHatton Street from 9:30 am.

### The program is as follows:

**13 February**

**Lydwine van Kersbergen** - advisor to Dorothy Day, friend of Catherine de Hueck, one of the founders of the Grail in both Australia and America.

**10 April**

**Rachel Donders** - International President (1949-61), worked in the Grail in many countries, including 12 years in Japan.

**29 May**
